## DO NOT FEAR for I am with you

Sister Stan Mumun is at the forefront of the Church's work in reaching out to children in need in Ghana. As the director of the Nazareth Home for God's Children, Sister Stan works endlessly to provide education, healthcare and a safe home for children rescued from life-threatening situations.

In line with traditional beliefs, in parts of Ghana, children born with a disability, or whose mother passes during childbirth, are considered to be 'spirit children' and thus at risk of being harmed or killed. The Church in Ghana is dedicated to protecting these children and educating families to ensure every child has a chance to live a full life. The Nazareth Home for God's Children is among the pioneers in this crucial mission.

Today you have the opportunity to personally partner with the Church in Ghana and offer monthly support to this essential work. All gifts will be directed to life-saving projects for children in need. Your one-off gift today is also very much appreciated and will make a great difference to those in need.

 throughout the month of November and updated each  
 week. Envelopes may be put on either plate or in the  
 office mail box on front verandah of the Presbytery.

All masses celebrated at St Nicholas in the month of  
 November will be offered for all those who have died,

 to be remembered.
